

# CAUTION

## RETURN AND DAMAGED PARTS POLICIES

1. Inspect all parts for damage and application previous to any sanding, painting or modification of any kind. Any modified or installed part WILL NOT be acceptable by the manufacturer for return. Call us immediately about any damaged part.
2. After notification of damage to a specific part, we will replace or authorize you to repair the part up to a specific dollar amount, with the Parts Manager's approval, a copy of the original invoice, a written bill from you with a digital photo attached, and specific information given to you by Tonkin Parts Center at that time.
3. All parts must be returned to the manufacturer in Original Packaging in the same condition they were delivered to you. **All parts must be unmodified, uninstalled, unsanded, unpainted parts, with original packaging and with all factory parts numbers attached.**
4. Due to manufacturers' strict policies, return all unused parts within 45 days of purchase. No credit will be issued without the part in its Original Condition and Packaging.

**THANK YOU FOR YOUR STRICT  
ENFORCEMENT OF THESE POLICIES**
